If your child is absent from school, for any reason, please let our school office know using one on the following options: Phone: 385 4163 / option 3 text 027 422 8032 email: office@banksave.school.nz
If your child arrives at school after 9:00am they must check in at the office. This saves a lot of phone calls for unexplained absences in order to ensure the safety of all our children.

Dear Parents and Whānau

Ngā mihi mahana ki a koutou – a warm welcome to you all.

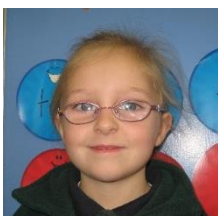

Kind Words Kind Actions

In term 3 we will be having a general focus across the school on *using kind words and kind actions* to others. In our restorative conversations we have with children, we often refer to this term as it is a bit more explicit than referring to our current school values of *respect and empathy*. In a recent restorative conversation I had with a group of children I asked "who is the kindest person in your class?" It is lovely to recognise these students who were identified by their peers as being kind.

Room 16: Savanna, Rylee and Dallys

Room 10: Sofia

As next term progresses we will be recognising children across the school in assemblies and in our weekly newsletter for using kind words and kind actions. Keep an eye out to see if your child is recognised.

Feedback on Values

Many thanks to all of the parents who have returned their slips to me or who have been on line (school website) to help identify key values we should be focusing on as a school. Here is a collation of those responses to date. It is not too late for you to go on to our website to have a say.

Respectful (9) Hauora (8) Confident (7)
Excellence (6) Empathetic (4) Honest (3)
Responsible (3) Collaborative (3) Innovative (3)
Problem solver (2) Can-do attitude (2) Caring (2)
Independent (2) Empowered (2) Integrity (2)
Enthusiastic Kind Persevering Resilient
Adaptable Well-rounded Inclusive

As New Zealanders and as a bi-cultural nation it also appropriate for us to be looking at how we could be incorporating some Māori values and language into our school values. Two potential values are: *manaakitanga* (Mana – self worth Aki – how self-worth is generated- tanga – treat others as you would like to be treated) respect (creating self-worth in others), giving of yourself. Whanaungatanga -the relationship that develops as a result of *manaakitanga* – the strength of the group – see people as people not just their role i.e. working collaboratively and collectively.

This will continue to be an area that we develop as a school over the next six months.

Learning Conversations

Early next term, in week 2, parents will be invited to come to school to meet with the teacher and their child to discuss their child's last six months at school. Parents will have the opportunity of booking an appointment slot on line or through a paper version. **PLEASE** ensure that bookings are made in the allocated time frame as it becomes very difficult for our office administrators to amend bookings once the timetable has been drawn up.

In our meetings at school and at Board level we are having in-depth learning conversations at the moment as we look at our mid-year data and the implications for our programmes for the rest of the year. This year we have introduced a new assessment tool across the senior school, e-asttle. We are excited in anticipation that children will be able to articulate their learning and next steps in relation to this tool.

Shortened Lunch Hour

A HUGE thank you to the many parents who responded to a prompt in last week's newsletter about the possibility of introducing a shortened lunch hour. This was the most feedback I have received on any query and it showed a genuine concern from parents. One parent made a valid comment that it would cost an extra \$22 a week in childcare for the extra hour and a quarter each week. All parents who responded noted how difficult it would be for working parents who already have a large degree of organisation involved in picking up children daily.

This proposal also generated good debate at the BOT level last night.

We realise it would not suit those parents who work or who have other children to pick up from neighbouring schools so thought that if we provided supervised child care from 2:45 – 3 in the school library each day then those parents who have no flexibility with their timetables would not need to worry. However, to consider this we would need to have an idea of how many children that would involve. We could not cater for more than 80 children on a daily basis therefore before we make a final decision I am asking that parents who would need this childcare facility for 15 minutes each day to respond on the bottom of this newsletter. This will give us another layer of information with which to be able to make a final decision.

Your feedback is very welcome and appreciated and will impact on our final decision.

Learning Experience Fee

Team Miro ask for \$15 a term for a learning experience fee. This money pays for extracurricular activities that the children get linked to learning, e.g., Strike Percussion and Science Alive. In the junior school (Team Totara and Team Kahikatea) children are charged separately for each event (as it occurs) so therefore we don't have a problem with children getting an experience and not paying. Thanks to all the parents who always pay for these events promptly.

The learning experience fee for the seniors is \$15 per term. We currently have sixty children who have participated in term 1 and term 2 events but who have not paid the learning experience fee; thus we have paid out of school funds \$1800 to cover these children. We cannot afford to do this as the money from the Ministry of Education does not cover these extracurricular events!

Families with children in Team Miro have received invoices and will be receiving another reminder from Rebecca Searle, team leader. We ask that you pay these outstanding amounts before the end of Term 2. Those children who have outstanding amounts owing from Term 1 and Term 2 will not be able to participate in any further extra activities until the previous debts have been paid. The next planned event is on the second day of Term 3 so that is why it is urgent for these families that we start with a clean slate for Term 3. If parents have arranged to pay weekly amounts through automatic payments then we have no concerns as we know all costs for school will be covered by the end of the year.

As always, if you have any questions or queries in relation to school accounts come into the office to see Colleen.

Choir

Belinda Walsh has been working with a large number of our children in our school choir. Our choir is performing tomorrow afternoon and tomorrow evening in the Shirley Schools Area Music Festival.

Last week our children had a practice at Shirley Intermediate and a group of parents accompanied them. It was very pleasing when two separate adults commented on how well behaved our students were and how proud they were of them.

Well done to our awesome choir and well done to Miss Walsh for all of your efforts!

Whakatauki

Whaia te iti kahurangi ki te tuohu koe me he maunga teitei.

Aim for the highest cloud so that if you miss it, you will hit a lofty mountain.

'HOT SHOT' LEARNER

Daniel from Room 16 is a good all rounder. He is very caring and has excellent manners and behaviour. Daniel is a top reader who puts 100% effort into learning his weekly spelling words. He is well deserving of this honour.

Well done Daniel! 😊

Lunch Room 11

I am thrilled to invite these children to share lunch with me tomorrow. These children have been displaying our school values in and out of the class.
Sasha, Hayley, Sam K, Sam E, Michael, Caitlin and Lucv

Kapa haka Update

Extra kapa haka poi practice.
The extra kapa haka poi practice which was scheduled for the Sunday 12 July is now being postponed to a later date. More information regarding this will be out in the new term.

Cultural Festival

The Cultural Festival is coming up in Term 3 from 31 August to 4 September. We are waiting to hear when our school is performing. More information will be out about this as soon as we hear.

House Keeping / Reminders

Lunch On-line

PTA News and Events

This week is all about answering the burning question of 'What is a PTA' and 'What is its' purpose'. But first of all here's a fun fact... Did you know that the first known PTA in New Zealand was formed in 1906 in a primary school in Hokitika? That's over 100 years of parents/caregivers and teachers all over New Zealand working together to contribute to the development of children in schools! Pretty impressive huh?

So what is a PTA? In short, a PTA is a group of parents/caregivers who come together to support their children's education with links to school staff as well as members of the Board of Trustees (BOT). It is a non-profit organisation and the work the PTA does is completely voluntary. The purpose of the PTA is to create closer relationships between the home and the school for the benefit of the children and gives parents/caregivers a voice within the school. They also form a link between the school and the wider community.

Here at Banks Avenue School, the PTA has a strong focus on fundraising events (such as the always successful discos, calendars and Entertainment Books). Money raised from events like these is used to purchase extra items/services for the school that the children will directly benefit from. The children are always at the centre of everything that the PTA does.

Although fundraising is a strong focus for us, other purposes of the PTA include:

- To achieve a mutual understanding of the schools goals.
- To act as a forum for parents and teachers to formally discuss areas of interest.
- To assist the school with activities where parent involvement is needed.
- To provide a channel through which parents can voice their concerns.

Above all, our PTA exists to ensure that the children of Banks Ave receive the best education that we can possibly give them, an education that fosters their physical, intellectual and mental wellbeing.

Want to know more? Please feel free to give me a call/text on 022 681 5545. I may not be able to answer straight away but will get back to you a.s.a.p.

Cheers,
Jen Dellabarca
Chairperson of the PTA
