

Alert Level 3 - Would your child be attending school if we move to Alert Level 3?

Only complete and return this form if the answer is yes!

If we move back to Alert Level 3 then school will only be open for children of essential workers. The remainder of students would stay home and distance learning would be offered.

We are asking for you to indicate that there would be a likelihood that your child/children would be attending at Alert Level 3 so we can prepare for this eventuality.
